

Hamilton Sooners 1958-59

Hamilton Junior High School

*Tulsa, Oklahoma
Vol. II*

Cover design submitted by
Brenda Wesner,
Cover drawn by Randy Jackson
and Jay Turk.

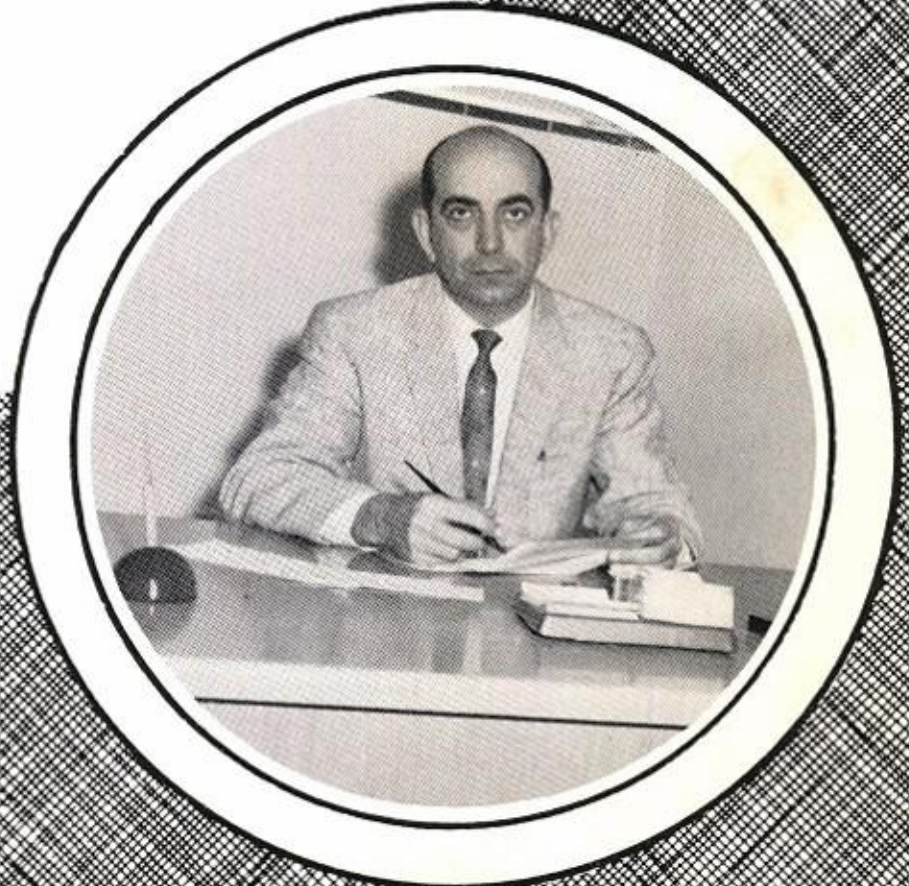

The Hamilton Sooner portrays to the fullest extent the results of hard work, as well as progress and growth within Hamilton Junior High School. I feel that this yearbook will serve as a challenge and an inspiration to future yearbook staff members.

As students of Alexander Hamilton Junior High School you should seriously apply yourselves to all your responsibilities and should make the most of your present opportunities. To each of you I extend best wishes for success and happiness.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Ed Coffey', written in a cursive style.

A grid of eight black and white student portraits arranged in two rows of four. Each portrait has a handwritten name in blue ink to its right. The names are: Marlin, Kelly, Susan, Don, Glen, Thelma, Pat, and Tom. The students are dressed in typical 1960s attire, including collared shirts, sweaters, and glasses. The portraits are set against a light, textured background.
